Hi Jorj,

I am writing to advise you (and through you the Redhead Villages CCB) that we have received a revised layout for the Inyadda Drive PP and are seeking feedback on it.

All of the information is available online at <https://getinvolved.shoalhaven.nsw.gov.au/inyadda-drive-planning-proposal-manyana>.

If you could make sure everyone is aware of this that would be greatly appreciated.

Regards,

Grant
