To the executive Red Head Villages' Association Inc

I have just received the mailout from Shelley Hancock's office and note , in the Community Grants section, that funding has indeed been allocated for a Barbecue shelter at Cunjurong Point Reserve ( share of \$115,657 ). Not sure what ' share of means'. Lexie, Kevin, Judy Holt and myself had a meeting last July with Craig Horgan, Contracts Officer, SCC ([Craig.Horgan@shoalhaven.nsw.gov.au](mailto:Craig.Horgan@shoalhaven.nsw.gov.au) ) and we nominated the reserve at Cunjurong Point as a spot that deserves a barbecue shelter because of the high recreational usage of the area. I followed up with Craig last Friday before the RHVA meeting and he told me the funding for the barbecue and playground equipment for Yulunga Reserve would be finalised in the next fortnight.

The other fantastic outcome from Shelley's handout was that the Yulunga Reserve has been given a share of \$380,000 for the installation of a new playground. Once again, not sure about about the term ' a share ' but it was indicated to us at the meeting with Craig that at least \$100,000 would be available. We have been agitating for new equipment in the park for years but had been told that nothing would happen until 2021 so this is now very good news.

This is a very positive start to the New Year for our community. SCC will consult both with RHVA and the Yulunga Reserve Committee re the design and equipment for the playground.

PS I apologise as I don't have Tony Buchert's email address. Maybe someone could forward this email to him.

Kind regards, Robyn Ralph
