

Manyana Community Gardens ~ MCG ~ HOW TO VOTE

Have you heard Manyana is in the running to secure some funding for a Community Garden Project?

The project aims to bring together local food growing knowledge and invites participation from the youngest of our community to the elders.

We need the community to vote so that we can secure funding.

The voting process is convoluted and I understand this may put some people off, but please persevere.

You'll need your medicare card and access to your email.

Go to ; mycommunityproject.service.nsw.gov.au

and click **VOTE NOW**.

You need to select South Coast from the drop down menu, then click

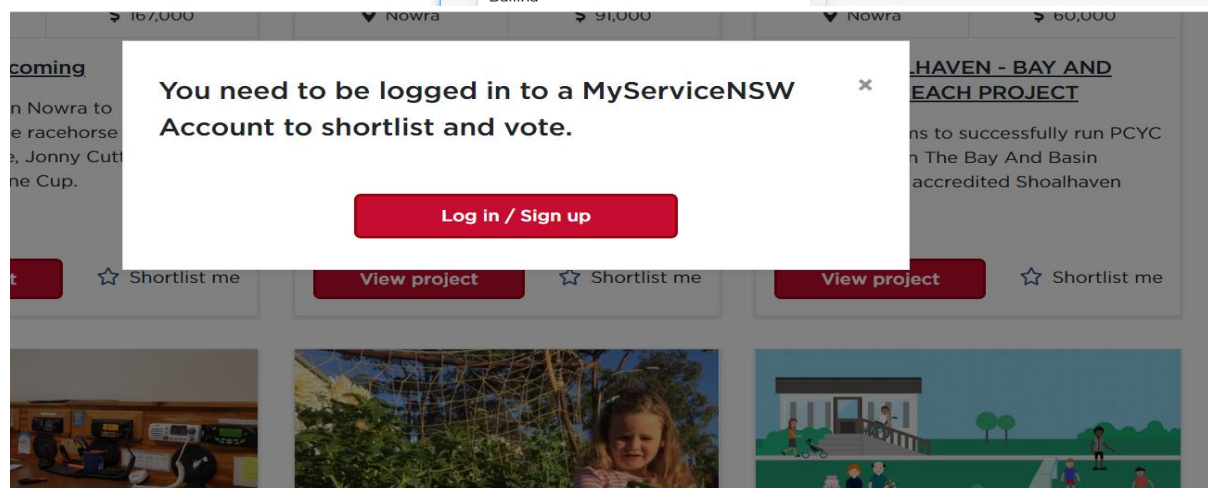

Browse projects (pic right)

You'll then be asked to

log in/sign up. (pic below)

Please persevere through this process!

To get started, browse projects by selecting your electorate from the dropdown menu or type your address, suburb or postcode.

After "creating an account" or "Logging In" you need to short list 3 projects for funding, click on the Shortlist me button beside the projects, once you've selected three view your shortlist and click **VOTE NOW**.

Manyana Community Gardens MCG Number 1! Voting closes 15th August.

Should you have any issues I am very happy to help. Sheree Cole 0423879177 sha-weeee@hotmail.com
