Paddy Crumlin - National Secretary | **Warren Smith** - Deputy National Secretary

Adrian Evans & Jamie Newlyn - Assistant National Secretaries

9 February 2021

Kevin Millar
Red Head Villages Association

Dear Kevin,

Re: Bushfire Recovery Donation

During the horrific bushfire season last year, we received donations from our members and other unions and their members from all over the world to pass onto organisations and communities in need.

MUA Wharfies, Seafarers and Port Workers dug deep and donated a massive amount of money to help others.

Many of our members, retired members and their families are from these bushfire affected communities.

Please accept this donation of \$20,000 to your Association to help you rebuild and move forward by assisting with the acquisition and installation of a generator. We have transferred the donation into your account.

Our global union community are incredible when it comes to tough times and the solidarity and support, we received was overwhelming.

We hope that this donation will help in your endeavours.

With our best wishes.

A handwritten signature in blue ink, appearing to read 'Paddy Crumlin', is written over a light blue background.

Paddy Crumlin
National Secretary
