

RED HEAD VILLAGES ASSOCIATION

RHVA COMMUNITY SURVEY

WE NEED YOU!

To the Occupant

Red Head Villages Association (RHVA) is the Community Consultative Body (CCB) recognized by local and state governments. Its function is to liaise with Shoalhaven City Council and the NSW State Government in representations made on behalf of the ratepayers of North Bendalong, Bendalong, Manyana, Berringer Lake and Cunjurong Point. The executive committee of the RHVA is elected by these ratepayers each year.

Due to COVID- 19 outbreak

It has meant that we have been unable to hold general meetings where all and sundry can attend. As a result, you, the members of our community have not had the opportunity to have input. Our executive committee, in an effort to be as representative of the community as possible, is making an effort to gauge the wants and needs of our community. As such, we are asking all interested ratepayers to complete a community survey.

Developing a Master Plan

The Association is currently developing a Master Plan for our area which will be used in future when making representations to all government bodies. We have already been successful in obtaining a grant in excess of \$30 000 to develop such a plan & once complete will give us much advantage in obtaining funding for various projects in the community.

It is important that as many residents and ratepayers submit their ideas in relation to how they want our community to progress.
