Re: EPBC 2020/8704 Manyana Coast Pty Ltd proposal for residential development of Lot 172//DP 755923 and Lot 823 DP//247285 Manyana, NSW, Shoalhaven City LGA

Dear Minister

The Red Head Villages Association Inc (RHVA) represents the residents and ratepayers of the five local communities - North Bendalong, Bendalong, Berringer Lake, Cunjurong Point and Manyana – to all levels of government and other agencies.

In our most recent 2020 survey, residents and ratepayers were asked whether they would like to see Manyana Beach Estate go ahead; 85% of respondents said No, 8% were Apathetic, 5% said Yes.

It appears that residents and ratepayers are concerned about the damage to the native habitat this project could cause for species protected under the Environmental Protection and Biodiversity Conservation (EPBC) Act.

Given the results stemming from the RHVA's 2020 community survey and the impact that the proposed development could have on our surrounding natural environment, the RHVA Committee asks the wishes of the community are met and this land is protected for future generations.

To that end RHVA urges you as Federal Environment Minister not to approve the abovementioned proposed action.

Sincerely,

Luke Bastock  
Environmental Co-ordinator RHVA
